Park: Carlsbad Caverns National Park [ ] or Guadalupe Mountains National Park [ ]

4 = Perfect, 3 = Good, 2 = Average, 1 = Needs Improvement

	Own Team	Other Team	Other Team	Other Team	Teacher
<b>Visual Display:</b> Quality, Appeal, etc.					
<b>Content:</b> Accuracy, Completeness, Sources, etc.					
<b>Presentation:</b> Organization of Information, Quality, etc.					
<b>Team Work:</b> Are the efforts of each team player clearly demonstrated, or did it appear to be the work of one or two?					
<b>Product:</b> Did the team develop a good General Management Plan? Did they make sound decisions? Did they consider all issues in making their decisions? Will the public support their General Management Plan? Will their efforts protect park resources?					

Add the scores in each block and divide the score by the number of completed blocks to obtain an overall average score. Overall Score is \_\_\_\_\_

Alternative: The teacher/ranger may wish to count the product score twice.
